

Thank you for considering me as your next Chair, and for the trust you placed in me as Secretary. If elected, I hope to assemble your insight into actionable recommendations and broaden committee impact to achieve diversity goals and widen the board's scope. In 2020 I want to expand the incredible success we have built by continuing to pressure the administration to do its best work, and by elevating VLAB recommendations throughout the state apparatus. Externally, I seek to increase civic partnerships and coordination so that the Latino community joins the political dialogue and policy conversation in a meaningful, lasting way.

Thank you,

Paul Berry

Secretary, VLAB
